Balance Transfer Rate Terms and Conditions – Balance transfers will be processed at the standard balance transfer APR for this account. If we do not receive all of the necessary information for the transfer, the balance transfer will not be completed. Please allow up to 4 - 6 weeks before payments to your other accounts are made. Accordingly, you should continue to make all required payments until you confirm that the balance transfers were made. Balance transfers as well as purchases and cash advance transactions are subject to your available credit. Balance transfers may not be used to pay any American Airlines Federal Credit Union loans. Balance transfer requests will be processed from the lowest to the highest dollar amount. If a balance transfer request is more than your available credit limit, we will automatically lower the balance transfer amount to your available credit and complete the transfer. You may only make balance transfers to accounts that list you as an account holder. Transfer of balances, which contain disputed purchases or other charges, may cause you to lose your dispute rights with regard to those purchases or other charges.
